Dear Sirs.

This is my letter to the City of Long Beach Washington to show my intentions to apply for council position # 5 being vacated by Jerry Phillips as he moves to be our new Mayor.

I served on the city planning commission for about 2 years. I was later elected to a 4 year term as City Council Position # 4 in November, 2005.

I lost the next election and have been working in my store The Bead Shop in Long Beach since and was living parttime in California but I maintained my residency in the State Of Washington, Pacific County, I believe I am still a registered voter in Pacific County and I reside in the City of Long Beach.

I have an associate degree from Clark College, Vancouver WA in business.

I have lived in Pacific County since 1989. I have owned and operated a business in the City of Long Beach since 1989.

I would love to serve on the city council if given the opportunity I plan to run for election when the next election is scheduled.

Dear Council;

Today I write you this letter to inform you of my interest and ask for your support in occupying the newly vacated council seat left open by Jerry Phillips.

I feel my long history and deep roots in Long Beach give me a unique advantage as I was truly raised to serve. Being a volunteer and serving your community is truly a privilege. I have a history and knowledge of the Peninsula that is hard to beat. I have experience in tourism, as well as have worked in the local school district from 1995-2005, and real estate with Lighthouse Realty from 2006 to 2014. I have a working knowledge of real estate law, budgets, septic and sewer issues, as well as worked with the county on behalf of my past clients on multiple land use issues. I was the Board Secretary and have written policy for the Surfside Homeowners Association, was a founding board member for the Boys and Girls Club of the Long Beach Peninsula, as well as committee members on both Holidays at the Beach 2009-2011 & 2015 and the Bluegrass festival 2005-2010.

I am currently the Director for the World Kite Museum. In this capacity I work with people from other cities, states, and countries. Working with large groups of people brings out the best in your verbal and negotiating skills to make sure that we get the best out of our volunteers and featured guests, in order to attain our goals. Clear communication leads to successful leadership.

I feel the current council is under-represented in two specific areas at this time: women and councilmembers who have school-aged children. Being a parent of school-aged children affords me a unique prospective into the needs and current struggles of our local youth and their families.

Here are a few suggested attributes that I feel are important to consider, as you make the decision of who will fill the vacated seat. Does the interested pool of candidates have the ability to:

- Listen to your constituents ... all of them, whether you agree with them or not.
- Display empathy for the people in your community.
- Show them you are "hearing" them by responding to their concerns, both in person and in writing. Even if you can't help someone, let them know they are important and were heard.
- Stay current with local issues as well as regional issues that might affect the city. Do your homework.
- Learn from the past, but continue to move forward.

- Be willing to change your mind based on your ongoing "listening and learning" practices.
- Earn trust by being authentic.
- Speak calmly and courteously at council meetings to one another and to the public. Everyone deserves respect.
- As the voice of the people, be well informed. Do not use hearsay as testimony. Be a fact checker.
- Give room for one another to disagree, knowing that all council members intend the best for the greater good.

I do work for the World Kite Museum and while they do receive Lodging Tax monies from the city, I would feel it prudent to abstain from any voting that could be considered a conflict of interest.

As I ask for your appointment to the city council, I remind you that I am committed to the success, growth, and stability of our city. I am therefore willing to give my most precious commodity to its governance, my time.

Thank you for your consideration,

Long Beach Council Members,
115 Bolstad Avenue West,
Long Beach, WA 98631

I am writing to inform you of my interest in City Council Position #5, that has been vacated by now Mayor, Jerry Phillips.

I have lived in the Long Beach community for 26 years; I have raised my family as well as operated a successful business. At this point in my life, my children are grown and I am semi-retired from my business. I am finding that I now have time to pursue other interests; such as serving our community. I am committed to all that I do, and realize that a City Council Position would involve dedicating time to meetings as well as other responsibilities.

Throughout the years, I volunteered at the Long Beach Elementary school and was PTSA President for two years. Working with other parents taught me skills such as teamwork, delegation and the ability to problem solve. We had a very successful 2 years, and were able to accomplish many things for both students and teachers. As a member of several other small boards in the school, I helped implement several policies that were beneficial to the school. I also volunteered with the Migrant program to assist in obtaining in class help for migrant children. I was responsible for writing the Mission Statement and implementing that statement into our efforts.

I am able to listen and hear all sides of a discussion openly and come to an objective decision based on what is beneficial to our community. If given the chance I would like to learn from the seasoned Council and take an active role as the new council evolves. I have a full understanding that it takes a whole team with common goals to move forward in a healthy and productive direction for our community.

Some additional experience that I would bring to the Council is the knowledge and management of finances, team leadership, customer service and maintaining a sense of tradition as our community grows. As a longtime business owner, I deal with these aspects on a daily basis.

I am passionate about giving back to a community that has been such a significant part of my life for 26 years and maintaining the heritage of those residing here for years to come.

Sincerely,

Tina McGuire

Dear Long Beach City Council,

I am writing to express my interest in the open temporary Long Beach City council seat. I have been a Long Beach citizen since 1999. My husband and I moved to Long Beach to raise our children in our favorite small beach town.

My husband has spent almost 17 years serving the city as a LBPD officer. My boys grew up here and have played active roles in the community as well. I have primarily been a Mom all these years, and I am very proud of that job title. I was a volunteer EMT early on, I volunteered a lot for ECAP, and the schools along the way. I worked 12 years for All Season's Kidstuff, as this was an ideal "Mom job". I owned a local business "Micki's Pix" for several years but found my hobby was no longer much fun once I made it a job. I currently am a part-time waitress for Chen's, and interestingly enough this completely accidental job has become one of my most favorites. Learning new things and a new culture among incredibly hard working and kind people is rewarding in itself.

I am a full time caregiver to my beautiful new grandson, allowing his Dad to continue to work full time while working towards his Special Education teaching certification. I am a wife, homemaker, and a Mom still. Even though my boys are adults, they often still need Mom. I am a very loyal friend, an honest upstanding citizen, a huge dog lover, and just a good person. I would be honored to represent my fellow Long Beach citizens. I would listen to what they have to say and take it to heart.

I have nothing to gain, but much to give back to my community. I have no agenda. I am not especially educated, and I am not fancy or really special or even a businesswoman. I am however a good representation of women and families in our town and very fun hip young Nana. I think I would bring a different and fresh voice to the council and I do hope you will seriously consider me as a potential council women.

Thank you very much for your time and consideration.

Dear Mayor Phillips

As per our phone conversation before the election, I am interested in serving on the Long Beach City Council. As you suggest in our conversation, I contacted the county about submitting my name for consideration. But I was told that candidates can only apply and submit a fee during the open enrollment period which was last spring. They said that if I am interested in filling a position on the council that has been vacated, that I should write to you and the council with my qualifications and that you and the council would make appointments to fill any vacant seats on the council.

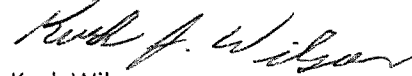

I would like to submit myself for consideration for appointment to the Long Beach City Council.

My primary experience in government service was the six years that I served as a County Commissioner on the Santa Clara County, CA sister County Commission. I served from 1992 thru 1998. In addition, I also served as the Treasurer on the Commission during that time. And was therefore also a member of the commission Executive Board.

I have also served in a number of management and V.P. positions in private industry as well as serving for a number of years as an engineer. I can supply references and recommendations upon request.

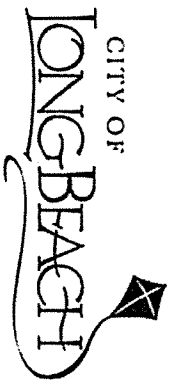

I therefore request that you and the council consider me for any vacancies that occur on the Council.

Sincerely

A handwritten signature in cursive script, appearing to read "Kirk F. Wilson".

Upcoming Workshop Schedule

February 3, 2016 3:30 Farmers Market

February 16, 2016 5:30 Pacific County Housing Authority

February 16, 2016 6:15? Long Beach Merchants regarding Sandsations

Date: January 15, 2016

To: Washington State Parks Department, Pacific County Commissioners, Pacific County Sherriff, Pacific County Fire District 1, Long Beach Peninsula Visitors Bureau, City of Long Beach

From: Not a Ban – A Better Plan Steering Committee

Subject: Recommendations for July 2016

Background

The July 4th holiday has drawn crowds to the Peninsula for years, although with no marketing by the Visitor's Bureau. It is not an event sponsored by a group but rather a destination for vacationers. The conditions affecting the 2015 holiday – very hot inland temperatures, on a Saturday, wholesale ban of fireworks in various Oregon and Washington communities – combined to bring approximately 100,000 people to our area.

Many illegally camped on the beach, created tons of trash, engaged in rowdy behavior, and had beach bon fires during a statewide burn ban. Residential areas endured parking issues, large noisy parties, and illegal fireworks shot off outside of legal hours.

While these issues were prevalent in previous years, the increasing scope of the problems galvanized the formation of a citizen group, *Not a Ban – A Better Plan*, with the goal to improve the safety and well-being of the whole Peninsula during this holiday time. The goal is **responsible tourism** – visitors enjoying all that the Peninsula has to offer without damaging our precious Seashore Conservation Area or negatively affecting our residential neighborhoods, other visitors, pets and wildlife, the environment, or business owners.

Since inception, the committee has met regularly, and has conferred with all of you and others in the community. We held two public meetings, developed a Facebook page, and administered a survey that received 350+ responses. The respondents are clear in their dissatisfaction with the trash on the beach and the impacts of fireworks. We have used their input to shape our goals. See attached summary of the survey responses.

In addition, we have done extensive research into existing State and local regulations. There is no immediate need for additional legislation as there are existing regulations that cover the problematic issues. However, discussion with the enforcement agencies reveals that there are not enough resources to enforce all the existing regulations. Enforcement priorities are made based on available resources, the safety of officers, and the likelihood of prosecution.

The Committee has defined our purpose as agents of change. We are not a fund-raising group or an event sponsor. We are information gatherers, advocates, idea producers, and collaborative partners to you, our community leaders. One result of our work is that you have begun working together to address the overlapping issues. Making meaningful changes seemed daunting at the beginning but you have given us overwhelming encouragement and pledges of leadership.

2016 Goals: A consistent message and enforcement of existing regulations are our goals for 2016. By consistent we mean that all involved parties have agreed to enforcement priorities, and that all avenues of information to visitors and the Peninsula give out the same information. We want to communicate behavioral expectations for visitors and residents. Our goal is to ensure plans are developed to begin enforcing the regulations concerning overnight stays on the beach, beach fires, intoxication, and, hopefully, fireworks. We have brainstormed some draft recommendations that could improve public safety and beach stewardship, in addition to the enforcement and messaging goals. These are detailed in the attachment.

Fireworks: Due to legislative restrictions, we cannot change the hours, days, or types of fireworks for July 2016. We plan to present proposed ordinance changes to the Pacific County Department of Community Development this spring. We hope for adoption in sufficient time for 2017.

Budget Impact

In addition to the separate agency costs of enforcement, the recommended proposed actions are less than \$15,000. Sustainable funding for the approved items is anticipated to be from allocations from the responsible sources and involved parties.

Timeline

The committee recommends timely action to reach the common priorities for 2016 in order to provide time to secure funding, develop messaging, and hold a public meeting.

We look forward to continuing our joint efforts to improve the July 4th experience on the Long Beach Peninsula.

Memorandum For Record

Subject: TsunamiReady/StormReady Renewal, Long Beach, WA

All requirements for the TsunamiReady and StormReady designations are still being met in Long Beach, WA. An updated copy of the TsunamiReady application is enclosed. Pacific County and Washington Emergency Management continue to do an outstanding job of promoting Tsunami awareness throughout the community.

Per concurrence with Pacific County Emergency Manager, Washington State Emergency Management and NWS representatives, Long Beach has been renewed as TsunamiReady and StormReady through October 2018.

Signed,

Tyree L. Wilde
Warning Coordination Meteorologist

Look Forward to the City's
Participation*
Dear Potential;
Loyalty Days Banquet Table Sponsors, *Bob*

The Loyalty Days Foundation is proud of our community's endeavor to maintain this patriotic event. In July 2016 the Board chose the theme for this year's, event which is **"OUR GRAND OLD FLAG"** commemorating the pride we have for the people serving our country.

The banquet will be held at the Elks Lodge in Long Beach, to ensure everyone great seating and participation. We will have live entertainment during the social hour which starts 5:00 P.M. to 6:00 P.M., directly followed by dinner and honors ceremony.

With supporters like you, this "Historically Rich Celebration of Patriotism" is a trademark for our region. We hope we will be able to count on your continued, support for this year's Honors Banquet scheduled for Saturday April 30th, 2016

Tables are available for sponsorship at \$225.00, and will afford you the opportunity to seat (6) at your table, including yourselves. This will enable us to seat (2) invited volunteers/quests at each table throughout the room. Your hospitality with visiting quests and generosity shown by the financial support has been essential to the success of this event. We will have tickets available for basket drawings, as well as opportunities for financial contributions for the legacy of Loyalty Days Foundation.

Planning is the most important part of any successful event, so we look forward to hearing from you in the near future. With limited space, and our community's pride, we have seen sponsor tables purchased quickly. To reserve your table today, please contact Bob and Judi Andrew by email at bjandrew@centurytel.net, or fax your response to 642-8004. You may also reach us by phone at (642-4441 Days- business phone) or 642-4218 Evenings).

Respectively Yours,

Bob & Judi Andrew

Dear Long Beach City Council Members,

It is with great pleasure that we invite you and a guest, to be our guests at the Loyalty Days Honor Banquet Saturday April 30th, 2016 at the Elks Lodge in downtown Long Beach. Social Hour begins at 5:00 p.m. Program will start promptly at 6:00 p.m.

The Loyalty Days Foundation will be hosting a tea at Long Beach City Hall Sunday May 1st, 2016 at 11:00 a.m., with a short ceremony following at the reviewing stand in downtown Long Beach. Please RSVP early so that we may provide seating for you and a friend or if so desired.

We would also like you to consider participating in the 66rd, Annual Loyalty Days Parade on Sunday May 1st, 2016 at 1:00 p.m. If you would like us to arrange a car and driver for you, please let us know early. Some of the dignitaries have parade vehicles of their own for participation in parades. We will provide attractive signage to identify you to parade spectators, for either your vehicle or ours. Please RSVP early so that we may make all arrangements for your Loyalty Days experience.

If you have any questions please feel free to contact us at you convenience. We can be reached by e-mail at bjandrew@centurytel.net any time. During the day we can be contacted at the Cottage Bakery at 1-360-642-4441, or evenings at 1-360-642-4218. You may also fax information to us at 1-360-642-8004

Respectfully,

Bob & Judi Andrew
